Wheel of life A4 by digital hygge The classic wheel of life is divided into 8 key life of life. However, it should not be limited with the categories of predefined quantity and their labels. It is a visual representation of your life, of the things they value and care. If a detailed wheel of life makes you feel anxious and overwhelmed, you can create less categories so you can concentrate on the most large of life. If you feel that you are specific categories, you can add additional categories or divide those existing into narrower ones. There are no correct or incorrect types of categories. The wheel of life (or the wheel of life balance) is 100% its vision and not anyone else's. The classical wheel of life includes the following ones of life: business & work; Career; Alternative labels include vocation, work, business, maternity, paternity, parenting, volunteer, etc. Questions to ask: "What happy and fulfilled are for your work? Where would you like it? Finance: Other label ideas include money, wealth, financial security and financial well-being. Questions to ask: "So much do you feel about your financial situation? "How are your financial education? Do you see the accounts? This category could also be divided into physical health and emotional health, and may also include spiritual health. Questions to ask yourself: "How happy is your general health?" How do you feel about your energy levels and vitality? "Do you exercise regularly? "be community, social life. The category of family members and friends can be divided into separate categories of "Family" and "friends". Are you connected to them? Relationship: Alternatives include appointments, intimate life, couple, significant couple, couple of life. Posters to ask you: "How would you rate your life with your loved one? Is it a romantic life? Do you spend enough time together? " Alternatives include learning, self-development, personal or spiritual growth. This category label includes leisure time, hobbies, sports, game, creativity and enjoyment. Posters to ask yourself: "Can you spend enough time to rest, have fun and rejuvenate? Physical environment: other labels for this category could be simply "Home", "house" or "apartment". The category could be divided into two for work and environments It is especially important at this time when many people start working from home. Posts to ask yourself: When it comes to people, get a question if the people with whom they live, work or spend their time, make it feel good. Do you like what kind of people do you have? Do you feel nourished when near these people or drain your energy? If you have never made your own wheel of life before and is a beginner when it comes to the evolution of life and self-assessment, you probably want to start with 8 predefined categories. Over time, you may want to adjust the categories so that they coincide better with their central values. Remember that you can customize the categories simply by making them other names that feel more suitable for you and/or dividing an existing category in two or more. Additional areas of the wheel of life is strongly recommended that you think about the categories you would like to see in your wheel of life. There are many evaluation questions that you can do when you consider your general happiness. In addition to the commonly used ones, there are some additional ideas for the users that can be evaluated. Contribution to the planning of community security for future spirituality and the spiritual growth states of the self-scratitudo How do I use your wheel of life, you are not sure how to use your life wheel? To make it easier for you, I have tried to create a very easy step by step that should help you complete your own wheel of life. How to use the wheel of life decides what life wants to evaluate when evaluating the balance in your life must begin by choosing which or categories you want to include. See up for more ideas. Establish priorities for the waters of life when you have labeled each part of the wheel, now it is time to establish for their areas. What area is the most important for you right now? One is second? What a third part? If, for example, feel that Family & Friends is the most important one for you right now, write the number 1 near the label. Continue until you have classified all the areas based on its importance in your life. Rate each life of your life at a scale of 1 to 10 now, evaluate at a scale of 1 to 10 where you are for each one of your life. When you have thought about the score for a certain one, color in that section. For example, if the score is ten, I will color throughout the section. If the punctuation is 1, then only color in the first part of the cycle. Establish an objective for each one of your life now that you have evaluated each one of your life, you are ready to establish your goals, that is. Where you want to be in the future. The configuration of your goals makes you see the gap between its current and desired situation. Annicisis tries to determine if there is any interconnected zone in its wheel. Is there a creep where it could work at the same time? Are there badly balanced that negatively affect other people of your life? Make an action plan The final step and more important is to make a simple action plan for each one. How can you improve it? What must be done to carry the score at the desired level? Final words of advice: When they are filled in their own wheel of life, the most diffamous part is to respond honestly to the questions when every

one of your life taps. You must access each acerer based on the situation of real life and not based on what you think "should" answer. Conclusion The Wheel of Life, A.K.A. Balance of life The wheel gives a holistic vision on where the person is on his trip and you have to do to move towards a happy and more harmonious life. It is not strange that many Gurus self-help such as Tony Robbins and Zig Ziglar have used versions of this tool. A I could think that you have a problem in a ajarea de de But exercise shows you a totally different perspective. perspective.
